Skyler Interiors Opens New Designer Showroom in Naples

Trendsetting owner fulfills dream of a contemporary design studio in Southwest Florida

NAPLES, FL - Located in the heart of Fifth Avenue South, Skyler Interiors is Naples newest and most elegant interior design center. Skyler Interiors specializes in the latest in home furnishings, custom window treatments, accessories, art, décor, and more. Breaking away from traditional design centers, Skyler Interiors brings fresh, innovative style to the Southwest Florida area.

Several years ago, owner Tammy Moreland moved to Naples from Atlanta where she grew up surrounded by family members immersed in the art and design world. Always a trendsetter, she opened Skyler Interiors in January, naming it after her three-year-old son, Skyler.

“Skyler Interiors’ spirited blend of traditional and modern design is a reflection of my eclectic, fashion-forward aesthetic,” Moreland says. “From classic to the dramatic, we offer the perfect balance of old and new that’s sure to make an immediate statement in any home.”

Working with companies worldwide, Skyler Interiors imports cutting-edge design trends from a variety of countries to Naples. “Naples is a melting pot of cultures and styles,” says Moreland. “My goal is to integrate all of these traditions into one rich, vibrant destination. People no longer have to go to New York or Miami to find interesting décor and furniture. They can shop for it right here in Naples.”

Skyler Interiors is hosting a two-day Grand Opening celebration on February 12th and 13th. The press and interior designers are invited to the special ‘Designer Night’ on Wednesday, February 12 from 5-7pm. The evening will offer light hors d’oeuvres, wine and immersion into the Skyler Interiors experience. It will be followed by a special ‘Welcome to the Neighborhood’ event on Thursday, February 13 from 5-7pm for the wider community.

Skyler Interiors is a contemporary interior design center located on 5th Avenue in downtown Naples specializing in custom window treatments, the latest in home furnishings, custom window treatments, accessories, art, décor, and more.
